“ *WOW, Vic, we are so sorry for your loss. Your family lost Mom, and
so did all our Theatre Wings kids. You guys supported and loved the
GTA kids' over the past years and you both were tireless in your
work for Wings at Strike and Freshman Dinner, on the Board, and at
GTA events! We will all truly miss her smile and determination that
the "kids" were doing OK and getting fed and that they knew
someone cared for them! You both attended all GTA/Wings events
and even the Gainesville High School theatre events for years and
made a real difference in the lives of our students! Thank you - we
know she'll still be watching these guys and hope you continue to
do so with us too! You count! Thinking of you.*

In only a few short years, Judy was able to make a huge contribution and impression on so many of us in the Peachtree MG Registry. We will certainly miss her beautiful smile. We look forward to seeing you soon at our upcoming events.

“ Dear Vic-

I was shocked and saddened to read of Judy's passing in Sunday's Gazette - I just can't believe it, she's looks so beautiful - that beautiful smile of hers - I read the obituary over and over countless times. We had just communicated this past summer about getting together when she emailed me about the birth of your grandson, Connor. God works in strange ways. We get blessed in one way, but we never know what's waiting for us around the corner. This baby will help your family heal from your loss. All day today, I'm having thoughts of when we worked together at the Savings & Loan and then at Mohawk National Bank as well as keeping in touch and seeing each other through the years, not to mention we were in each other's wedding - I'm so sad that I won't be able to see my friend anymore. She is now this beautiful angel watching over and protecting you and your family - all you have to do is think of her. My mother used to say "The love never dies".

Please accept my and Matt's deepest condolences and know that our thoughts and prayers are with you and your beautiful family. Please get in touch with us when you come up this summer if you're able. If not this summer, perhaps another time when you come up north. We moved to Ballston Spa a little over a year ago. My phone numbers are: h. 518-490-2410, w. 518-388-6294, c. 518-229-4090.

“ *Dear Vic,
It has been many decades since our paths crossed, but we never forgot you. From time to time I laugh thinking about how you made my Dad laugh until he was in tears. You were like an extension of the family.
By the sounds of things you found a wonderful woman to spend your life with, and raised a wonderful family as well. 40 years together is such an accomplishment today ..but not hard with the right person. I am so sorry Vic... so very sorry. You and yours are in my thoughts and prayers.*
