“ Hey Jud, I will never forget how we jumped out of our chairs and screamed when Dylan hit the grand slam. Everyone was looking at us like we were crazy. We had some great times and I'll miss you dearly.

“ Ms Lesko was such a presence in the Buford Baseball program. We knew most about her due to Dylan's stories and all the unbelievable stories about her cooking. I was lucky enough to be one of the recipients of her famous lasagna! Best I ever ate. Seeing her at the games was truly a blessing. I know Dylan was proud when she was there. I believe she is the foundation for all the intangible qualities that both Cory and Dylan possess. Very seldom do you find a family that seems to always put others first. Very seldom do you see a young talent like Dylan remain so humble and never make anything about himself. These are part of the legacy that Ms Lesko instilled and will leave with us all. We will miss her at the park but her legacy past on through Cory and Dylan will live in us all! Gods Bless and love you Ms Lesko and family.
