“ There is a special bond between a mother and a daughter whether you are fighting, laughing or loving. My Mom has been dead for almost 25 years and there is not a day goes by that I don't think about her. You will do the same and the memories get sweeter as the days go by. I wish this for you and Brian.
Judy will be missed - just keep the good memories.

“ My prayers and love goes to Judy's family. Even though I have never met you I feel as though I did know you all. Judy and I had many conversations about her family. How she loved all of you and the grandchildren were such a blessing to her. Judy and I worked together at Williams Bros. and I loved her and enjoyed being with her so much.

Love to Judy and her family.

“ *The desire to be and have a sister is a primitive and profound one that may have everything or nothing to do with the family a woman is born to. It is a desire to know and be known by a brother who shares blood and body, history, and dreams.*

Rest in peace sister.

“ I am so saddened that my Mother has passed on. Knowing that she was at Peace and she is in Heaven is a great comfort. My family will miss her everyday. She was so much a part of our lives and the thought of her not being here to touch, love or share with her will be hard in this world. She will always be with us in mind and spirit. I Love you Mom!
