“ I loved hearing the message Judy had for us all two Sunday's ago at Lebanon Baptist Church. She said to "never give up". She said if she had given up when learning she needed dialysis she would have never got to enjoy her 50th wedding anniversary and so many other things. Judy loved life and she was the life of the party! She had asked the week before if several of us could go out to eat with her and Danny after church. I am so glad we went. That meal was the last time we were together. Judy, Danny and the rest of us were having so much fun while being entertained by the Japanese chef. I thank God for Judy's life. I will miss her so much! I am keeping her family in my prayers! RIP dear friend!

“ April of this year we had such a great time at car show in Pigeon Forge with Judy, Danny & Kevin & Janet. Me and Dennis was honored to be invited to their 50th wedding anniversary we had such a wonderful time. That was the last time I saw Judy but I will remember the beautiful smile she had on her face celebrating their special day. So many memories in the (22years) we lived at Bruce Mobile Home Park, our very first house. Much love and prayers that God be with Danny and family and give them strength and comfort.
