“ *I am Judy's cousin, Andrea Daniel Sims, the family called me Ann. I remember going to spend a week with Judy when I was around 10. I remember going to Mama Daniel's house on Sunday and listening to records with Gail and Judy. I was the counselor at Dacula Middle School when Colter was in the 8th grade. That is the last time I saw Judy, and I did not know how to get in touch with her.*
