“ *My heart goes out to your family. I am so sorry for the loss of your loved one Julia. During times of grief I have found much comfort from reading chapter eleven in the Bible book of John. Jesus wept when he saw the pain and suffering his friends Mary and Martha felt when their brother Lazarus died. Jesus has tender feelings and understands what we are going through. And he has promised a resurrection for all our loved ones who have passed. I sincerely hope this encouraging thought has brought you a measure of comfort in your time of deep sorrow.*
