“ *I was so sorry to hear of the passing of my good friend. He was a very kind and giving man that always offered a helping hand. He was always sharing his advise when talking about my daily encounters of being a single Mom of a 10 year old, now age 13. He will truly be missed.I will miss the stories, advise and the occasional text sent just to say Hi. I'm blessed to have known Mark and will always remember him with fond memories.*

We're praying for your family and take comfort that Mark is at peace and watching over you all with a loving smile.

*Our love and deepest sympathies to you and your family.
