“ *Justin Todd entered into the lives of my family in 2012 and permanently etched a place into our hearts. Over the years, we have been blessed by his wit, his loving spirit, and his keen intelligence. He beat us repeatedly at MtG. He brought us into the world of D&D and wove magical stories of daring do. He wasn't perfect... none of us are; however he was perfectly Justin.*

The hole he left in our hearts is a bottomless chasm that can never be filled and yet, we can't even begin to know the pain his family is suffering. We offer you our prayers and our love in the hopes we may somehow help you during this terrible time.
