“ *Dewey and family, I am so sorry to hear the news of Karen's passing. When my family moved from Clanton to Ozark in the early 1960's, The Frazier's and Collins' were two of the first families we met. I have so many fond memories of our childhood days. I pray that God will wrap his arms around your precious family and give you comfort and peace in the days ahead. My heart breaks for you all.*
