“ *I remember sitting in the middle school gym in sixth grade watching you walk in. I thought you were the coolest person I had ever seen. It was game over in seventh grade when we had biology together. Mr Stephens used to call us puffy ami yumi and we were inseparable. We grew up together. You always encouraged me, believed in me, and loved me. I will never forget the years we spent together-all the tears and laughs. You were my best friend through so much of my life and I am so thankful for the time that we spent together. I love you, Kc!*
