“ The Swanson's are our prayers as we remember Kay with kids everywhere in her kitchen, lots of family in the dining room and visiting with her in the sitting area.

*I remember seeing her joy in browsing and organizing family photos on the iPad, and the two of you whizzing around on stored electrons in the Prius to go see all of them. How cool is that !*

*And I remember the great meals we shared to give thanks together. Let us trust in God's plans, and raise our voices next week to celebrate her life !*

*All our love,*

“ We are all grieving with you, even from 3,000 miles away. So very grateful Kay is Godmother to our two oldest children. We love you all so much & our memories of holidays & birthdays together are sustaining us. We have told Ruth & she has had your mom on York United Methodist prayer chain in Mallet Creek, OH since your journey began. Al & Jenny & Jenny's husband are flying into OH Thursday. She is anticipating their visit & we have already printed lovely obit for her. She loved her niece. You have also been on the prayer chain at Trinity UMC in Oregon, where Krista worshipped with us. Please know what a positive influence she has had in all of our families lives & know she will continue looking over us. God Bless.

“ Our hearts are with Ty, Don, Krista, Anna and all of the Swanson/ Lisle family members. We are so very sad for your loss. Our Kay's sweet gentle soul touched everyone blessed to call her family and friend. Rick and I were blessed with her friendship for over 50 years, and blessed to know and love Ty, the children, and grandchildren. We shared so many memories and experiences through the years. As 18 year old girls ... the world was our oyster! We shared teacher stories, mom stories, and travel adventures. Kay was my Sorority Sister, Maid of Honor when I married, and my lifelong friend. She leaves behind a beautiful legacy of gentle strength. Until we meet again, Roomie. With love....Rick and Barb Knapp

“ Dear Swanson Family,  
You were all blessed to have been loved by a woman with such a kind and gentle spirit. I am blessed to have been her friend. She love the Lord and everyone that knew her was aware of that fact. My heart breaks that she will no longer be smiling down from the choir loft at Prospect, but I rejoice that she is cancer free and celebrating in heaven with Jesus and her many friends and family that have passed on. I will continue to keep you in my thoughts and prayers.

“ I will always remember Kay's kindness and hospitality to me through the years...our trip to Seaside in 2008 was very special and I will always cherish that time I got to know her better and gleam spiritual wisdom from her...I am privileged to have know Kay and been touched by her loving spirit that exuded Christ's love and compassion for others. Krista, Anna, and family, I am so sorry for your loss of your mom and wife. Please know I will be keeping you in my thoughts and prayers as you enter this difficult journey of grief. May God bring you comfort and peace in the months and years ahead...
