“*It's hard to believe my sweet, sweet friend is no longer here. Words can't describe how much I loved her & will miss talking to her. It's very rare to meet someone who you know almost immediately they are very special & will always be apart of your life. Kathie was that for me. We meet working together at Families First over 30 years ago I think, hit it off immediately, & stayed connected till she passed. She & I shared the same birthdate, loved our family, our pets, flowers, laughing & keeping each other out of Big Trouble! We let our mutual friend Joyce Hirst do all the serious acting out for us !! LOL!*

*Kathie reminded me of the women in movie Steel Magnolia, loving, incredibly strong, dedicated to family & friends, & always there when you needed her. Her fight with endless bouts of cancer truly amazed me. She handled with tremendous grace. She adored her husband, daughters & 3 grandchildren. They meant everything to her.*

*I am grateful to God for taking her home, she was so tired & body worn out from battling disease. I look forward to one day seeing that beautiful face again! 🙏🙏🙏❤️❤️❤️❤️❤️*

*She was such a blessing to me!*

*I worked with her at Families First and it was a pleasure to have done so. To me she was oh so kind, calm and candid with her thoughts. She will be missed and her spirit will remain.*

“*She was the most beautiful soul I have ever known. The love she shared and her light shines still in her husband, children, grandchildren & family. A warrior full of grace. Being a wonderful military wife, full-time Mom and devoted Nina were her greatest passions. Her sister-friend, Peggy Baird, and both her dogs, Tessa & Tara, were also part of her heart and adoring family. Love you more.*
