“ Your Mom and Grandma was special to me. She supported me when I taught her class ten years ago. One way I remember her is the excitement she had over the birth of my first granddaughter Mary. She and the others in the class rushed with Shae and I to the nursery. She was very dear to me and I was honored to be her teacher - when in fact I was sitting at her feet.

“ My sincerest condolences to your family on the passing of your Mrs. Terry, representing my father, the late Sam A. Cobb, Jr. of Lawrenceville, Ga. My father died in 2009 and was affiliated with your father through GM in Doraville. My father was the manager of Circle 10 Federal Credit Union which was the credit union for the GM employees. I know my father and my mother knew Mr. and Mrs. Terry besides my father's work affiliation with him as they moved to Suwanee after leaving Decatur. My mother Lucy W. Cobb and my father spoke of Mr. and Mrs. Terry very fondly during my growing up years and afterwards. My mother passed in 1991 and my father of course in 2009. Daddy had pancreatic cancer and mother COPD and heart failure. Interesting to see that you all chose Flanigans as well for your arrangements. I knew Jr. Flanigan as I was a hospice nurse in the area for 12 years. I hope and pray that your family has peace, contentment, and also the joy of your matriarch's home going. While I know you will miss her sorely, as she was such a sweet woman, you have the comfort of knowing that she lived a full, long life and that her spirit will ever be present with you all. Feel free to contact me. I live in North Carolina now in the beautiful mountains and I love to reminisce.
