“ So very sorry to hear we have lost wonderful Kathy! It was the best years (x10) we were buddies and neighbors. The times spent together were just plain fun. Kathy was always up for what ever mishief we could cause. We watched our children grow. We were a family. These times are not forgotten and will forever be imbedded in our lives. Bob take care of those you love and the same for them. Family is everything . With all our love, Jim and Mary Anderson

Thank you for the nice memory. I'm Kathy's brother and I would drive up to visit and enjoy the neighborhood get togethers many times. Kathy loved you all like family, and would share with me any news from you over the years. We missed you after you moved away. The memories were many and treasured.

“ Bob and family I was saddened to learn about Kathy this morning. Thinking back on how long I have known you and Kathy. She and I met working at Elmore's, that was before y'all got married. I would run into her out shopping on occasion. Keeping you all in my prayers.

Hey Trina, I was only 14 but tagged along riding in the backseat when I could with Bob and Kathy. I remember we went to the Varsity in your red car , if I remember correctly. It's been over 40 yrs but seems like yesterday. I've got Kathy and Bob's pic the day they married taken at Elmore's. Good times and good memories.
