“ You have been a part of every memory I hold dear. I am so very blessed to call you my grandmother and I will forever treasure our beautiful life together. To know you was to love you. Your smile and your laugh would light up any room. You loved so fiercely. You were a firecracker, iykyk! Relationships like ours don’t come along everyday and I pray I can give my grandbabies just a glimpse of what you gave to me. I love you beautiful. This isn’t goodbye, I’ll see you later.
