“ *Mamma, I'll love you always! You'll be with us forever and I know you're in heaven with your Granny, Mawmaw, Pawpaw, Grandpa, and Ronald looking down on us with love and care. You'll be in our prayers always, and I hope you're going fishing, whether it's on the side of the bank, a river, or in our very own backyard.*

Mom, I hope you have infinite fun, and while I miss you too much to put into words, I love you and hope you watch over us all with undying love and affection; just as we look up at the sky with teary eyes filled to the brim with that same undying love and affection missing your wise words and comforting touch.

We'll see you everyday! We love you mamma, and we wish you were here right now!

“ *Hey Kathy... I miss you. I don't know what to do without you now that you're gone... Please come back... I love you. I know I didn't tell you that enough but I meant it each time I did say it. Thank you for being a friend to me and stop me from taking my life, but why did God have to take yours instead? Please be in my dreams, Kathy... Show me that God exists... I'll see you soon.*
