

Kathy Higgs

February 10, 2012

In Memory Of My Beloved Wife, Kathy Higgs. Kathy has gone to heaven. She was born November 26, 1959 and passed away February 10, 2012. Kathy fought a good fight but lost her battle. We are all going to miss her energy, her beautiful smile and the kind heart that she shared with her family and friends. One heart of gold stopped beating, your beautiful eyes closed to rest. God broke my heart to prove, he only takes the best. She leaves behind her special son Austin, Mom Phyllis, Dad Harry, Brother Bobby and loving husband Bill. A Memorial Service will be held at Flanigan Funeral Home located at 4400 South Lee Street, Buford, GA 30518 at 7 p.m. on February 16th. In lieu of flowers, please make a donation to the Susan G. Komen Breast Cancer Foundation.

“ *Bill and Austin - I am so sorry to hear of your loss. I am shocked and saddened to hear this. Kathy was one of my biggest supporters of my artwork. We went through many many years of memories. We would laugh and sing very very VERY loudly when we were together... She was always there for me and my family. She will be deeply missed.*

You both will be in my thoughts and prayers -

Marianne

“ We have only known Kathy for about a month ago. We took food to her house and met her then. She was going to take us to the dog exercise track with our dog.

She was full of energy and we enjoyed talking with her.

We express our grief with you at this time. Seems like all we have now are precious memories of her life.

“ *I would like to start by sharing some scripture - John 6:39-40
And this is the will of him who sent me, that I shall lose none of all that he has given me, but raise them up at the last day. For my Father's will is that everyone who looks to the Son and believes in him shall have eternal life, and I will raise him up at the last day.*

I believe that Kathy is with God and has left a lasting impression on those who knew her. Forever our lives have been impacted by Kathy's sweet presence. She will be missed by all - Dan & Pam Derin

“ Kathy saw me in my minivan one morning at the gym and then started honking her horn like a car alarm! She always made me laugh and called me "Kelly Belly." I did not know her long, but she was always so positive, encouraging, powerful, and sweet. We will miss you, Kathy!

“ *Bill and Austin,*

I'm very sorry for your loss. Kathy was a kind, caring lady. I took many fitness classes from her and she always had extra energy. I will miss seeing her. We usually passed each other walking our dogs at Mulberry. I wish I would have know she would be taken so soon - I would have made sure to say more the last time I saw her a the park. It saddens me that I won't see her and Titan walking at the park.
