“ *I was honored to work with this special lady in the Barrow County Farm Bureau office. I respected Kathy and looked up to her in so many ways, I learned a lot from her over the years. I am saddened by the loss of such a special friend, but I know she was welcomed home with arms wide open when she entered Heaven's gates.*

“ Death is said in the Bible to be a coronation. The Bible says we are pilgrims and strangers in a foreign land. This world is not our home; our citizenship is in heaven. When we endure trials, stand the test, we will receive the crown of life which God has promised those who love Him. James 1:12. Your family is in my thoughts and prayers.

“ Heaven truly gained an angel today. I was blessed beyond measure that our paths crossed. Not only a great person to work for but a true friend that I loved deeply. She had several opportunities to write policies for people I referred to her but choose not to when you saw that she could not save them money. I am so very sorry for David and all of the family. Go rest high on that mountain. Save a spot for me.
