“ I remember meeting Katie when Zack was a little kid and she became a great family friend. She always had a smile on her face and we enjoyed everytime we were able to see her and Savannah. We will miss her dearly.

“ Katie was the sweetest person. She always had a big smile and warm hug for everyone. She loved her family and friends, but her greatest love was Savannah. We love you and will miss you sweet girl.

“ I have several memories of Katie. What I loved most about her was that I would get random messages that would say “How are you doing?” She genuinely wanted to know too. She truly had a heart of gold. Always thinking of others. But what I admired most about her was her love for Savannah. I have met a lot of cancer warriors over the years, but I’ve never met anyone like Katie. I send my love, thoughts and prayers to all of her family and friends.
