“ Katrinka was always so proud of her daughters, their children, their mates.....proud of all of their accomplishments. She always spoke of her husband Larry as the love of her life.....with such great affection and respect. She was a woman to be admired and such a blessing to call friend. She was positive, kind, caring, loved to laugh and loved life.....loved it best surrounded by the people she loved most. We're all going to miss Katrinka.....as hard as it is to lose such a wonderful lady, I am sure that she is in Heaven.....restored and joyous. We need time to mourn, time to grieve.....Kat made an impact in this life.....she was precious and we miss her.....we will always miss her.
