“ I worked with Kay from April 1979 to September 1984. He was a very kind and patient man - had a very fatherly manner. He helped me in several areas of my life. He was a much better mentor and friend then I realized back then and as I do today. Heaven received a ""Good Man""

“ *Myrna & girls, I am so sad about Kay! Being distant family in Savannah, we didn't get to see each other as much as we would have liked. But, I can truly say that Kay was such a kind and wonderful man and to know him was to love him. Always with a smile that lit the room! Prayers for all of you as you grieve his loss, and thanking God we will meet again in Heaven! Love, Lyndsey (Lonnie's granddaughter/Trudi's daughter)*

“ I have known Kay my whole life. He and Myrna have lived next to my parents for the last 34 years. I remember playing with their grandkids as a child, climbing trees in their yard, and eating many veggies from the garden. He was a wonderful and gentle man. My condolences go to you and your family—he will be missed. With love from Maria (Mercer) and family.
