“ *One of the sweetest neighbors we have known. Will forever remember walks in the garden with her cat and sharing our love for beautiful flowers and plants. She never saw the untidy or weedy garden only the beautiful and was truly amazed at God's handiwork. We have missed her and will continue to but will also remember her beautiful, bright smile. We offer our sincere condolences to Jim, Allison and the family. We will pray for your peace and comfort during this sad time.*  
*Love, John and Glenda*
