I didn't know you for long nor was I very close to you but I'll always remember that time in P.E playing that one game where you pulled me and I busted my butt so hard. Rest easy Kayla. Much love and condolences to the Clark family.

“ *I had the pleasure of teaching Kayla in third grade. She was an incredibly sweet and kind girl. She brought a smile to my face daily and would always walk in my room and greet me so happily. She made it so easy to say that she was an absolute joy to have in class. I know she will be deeply missed, I'm glad to have been able to be her teachers. Rest in peace sweet girl.*

“ I feel so blessed to have been one of Kayla's fourth grade teachers. I had her for reading and social studies. I remember her positive energy and helpful spirit. That year, I did a super hero theme where all the students colored a mask and got to pose like a super hero. Kayla touched so many people's lives who will miss her dearly. I'm so sad that you are no longer here, Kayla but I find comfort in knowing that you have peace, my beautiful angel. I pray for strength and peace for Kayla's parents, siblings, family, classmates, and teachers.

Love, Ms. Hardy

“ My daughter Aleah is truly heartbroken over the loss of such a magnificent young lady. These girls have been friends since elementary school. We are so sorry for your loss. I pray that you are able to find peace in these trying times. A song by Casting Crowns comes to mind “Praise you in this Storm”.(<https://youtu.be/0YUGwUgBvTU>) I’m sure it’s difficult to try and look toward God as some people would blame him for not stepping in to save their loved one. Through his loving arms we can find strength to get past the horrors that life throws at us. Your family is in our prayers. May God bless you with an exorbitant amount peace as he surrounds you with his love!

I am Kayla's school bus driver. Kayla was one of the most kind and friendliest students on my route. She even gave me a Christmas present of my favorite candy. We often talked about her life as I drove her home each day. I will never forget some of the stories she shared with me. While I haven't met her parents, from what Kayla told me, I knew they loved and adored her very much! May God bless her family with peace and strength during this trying time!

I just learned about this tragic loss a few moments ago. I worked with Sancy in Duluth. While I never had the honor to meet young Kayla, my heart goes out to Sancy and all of her family. You are all in my thoughts and prayers. Isaiah 41:10
