“ *Kelley is my cousin and while we did not have frequent contact, I especially remember his caring and love of family. He was always interested to know about the family, and I remember wonderful and warm conversations with him. I am saddened by his early loss but believe he has found a better place to be. To all the Richardsons I send love and wishes that you will find comfort in the special ways he touched your lives and the bright memories will carry you forward. Love to you all. Kelley, thank you for touching my life.*

“ Kelley was a very sweet and open-hearted man. I am so sorry for your loss. To be absent from the body is to be present with the LORD. I accept Jesus and I will get to see Kelley again. I hope you do too.

“ I was sad to hear of Kelley's passing. Kelley was a longtime member of our Saturday Bible Study at Buford's grill. His spiritual knowledge, insights, openness, and his love of family and friends will be greatly missed.
