Kelly was a wonderful friend, mother, animal lover and Cleveland Browns fan. We shared over 30 years of friendship and had many great times together, building memories that I hold dear to my heart. I know she is at peace now, no longer in pain, soaring with the angels. My thoughts and prayers with the family and friends for strength and comfort. RIP Kelly, love you!

I knew Kelly from the rescue work we did together for Pup and Cat at Petsmart and became friends. I am so sorry to learn the news of her passing. She worked so tirelessly on behalf of her love for the pitties and was known by many throughout the Southeast for that mission. I will miss her not being in this world with us. My condolences to her family.
