“ *My thoughts and prayers go out to Kelly's precious family during this heartbreaking time. I met Kelly in a place where I never expected to leave with a friend like her. She taught me unconditional love the first day we ever met. I am blessed to have known her. I can only imagine her shining down on us watching it all from Heaven where she is in no more pain and suffering , her chains are gone, She's been set free. Our God Our Savior Has Ransomed Kelly ?*

“ RIP La...

I love you very much and I am completely devastated that you are gone! You were a special person and very dear to my heart! Praying for your three beautiful children, your Dad, your brothers, sisters, all your nieces and your nephew and the rest of your family during this difficult time. Kelly you touch so many people with your beautiful soul, wonderful smile, and all your charisma and spunk! I know that you will be missed tremendously by so many! I am thankful for the good times we shared back in the day and the great memories that were made! Although there has been some distance between at times once we talked it was always as if we never skipped a beat...you were a true friend for life to me! Gone way to soon but never ever forgotten.

*Love Always and Forever,
