“ *Bobbie, Olivia, Kenny and all your family: I have no words. I am shocked and so very saddened. Our whole family loves you all and we pray for God's comfort and strength in the days ahead. This world was such a brighter place with Ken. He was always smiling and you couldn't help but smile with him. I have so many fond memories of y'all - being our first neighbors when we were newlyweds, Kenny's scouting days, Olivia as a sweet, precocious 3 year old, starting our family and y'all being a part of our girls lives, the much needed, wise counsel from Bobbie, to Olivia's beautiful wedding and so much more. I know your hearts are heavy and words do not seem adequate. Know that God is with you and I'd like to think that Ken is walking, no, running around in Heaven with a strong, healthy body, planting flowers and smiles.*

“ To the family,  
Heaven has gained a great man. Every time I go by your house, I can see Kenny out in the yard either mowing or taking care of blueberries or flowers. Know that your family is in our prayers. Bobbie, you have always been the epitome of a strong woman of faith. I depended on your guidance for years...either pulling Emily into Sunday school, or giving me advice on being an administrator for a variety of principals. This is a hard time, but I know you...of all women, will be full of grace at this time. You probably don't know how much I have used you and Ken as models of how to live my life and lead my family. You will miss his presence, but we know he is in the holy presence of a great place.

“ I will miss his smiling face, willingness to always help out and his presence at the Master Gardener meetings. He will be missed by the Master Gardeners as a particularly hardworking, knowledgeable volunteer at many events - he was a very nice and cordial man.

“ My precious Bobbie, I am so sorry to hear of your loss. It is tragic to many of us. I came to the chapel on Palm Sunday and Easter. As I was walking out, YOU were right behind me and as I turned around to hug YOU and tell you how much I miss seeing you, YOUR KEN reached out and hugged me and told me how good it was to see me. That ever-present smile was on his face and the joy of the Lord (which I KNOW was his strength) was shining ever so bright. May you remember how much he was loved and respected in so many ways. I am so blessed to have had that joyful encounter just before the Lord called him home. I am with you in spirit and you will remain in my prayers as you go about doing good as you always have. MY children remember you as the Christian lady at church all those years ago that kept them every Sunday so I could find peace and respite in the 11 o'clock service. May you never forget how much you and your Ken are loved especially "for such a time as this".  
Love you,

“ Dear Bobbie and family of KEN, I am so sorry that we lost our love one and a very good friend and companion in Ken. It was my great pleasure to have known him for just a few years, but he had a way of making it seem we had grown up together. He had a knowledge and passion for his garden, only surpassed by his love and devotion to his grandchildren. I will truly miss his presence. Erby Daniel

“ Oh our heart is so broken with sorrow over the loss of our Master Gardener. Ken was an all around everybody guy. He always had a smile on his face and a song in his heart. Our program was always complete when he came to our gatherings. I called him the other day and teased him about not being able to make the plant sale. He laughed and we shared a laugh or two and I hoped for him the best. God has a plan for us all and his plan for Ken was to take him to heaven and make that special Master Gardener place special for all of us. We will miss him and ALL of you are in our prayers and thoughts. Please know that we all loved him as our friend and fellow gardener. May God be upon each of you during this time.
