“ I am so sorry for your loss. Kenny was very special to each and every one of us who had the privilege to know him. He was a giant teddy bear with a heart of gold, and I'm really going to miss him. You raised an amazing son, and I know you're very proud of him and the life he led while on this earth. My best wishes to you and your family in this difficult time.

“ To everyone who knew Kenny. He was an amazingly incredible human being and everyone who knew him feels an emptiness that no other human being can fill. He was full of life, love, and happiness. To his family, my deepest condolences. To his wife Alisa, you were so lucky to have been able to call him your husband. No other woman in the world would have that privilege, and I find that to be an incredible blessing. May Kenny RIP and May the Force be with him. Always.
