“ I have known ken for 23 years. Started professionally but became friends. Ken was the kind of man who even when extremely frustrated never lost his cool or civility. Someone I came to admire and actually try to emulate some of his capabilities in the face of adversity. Ken was a special guy and it was my pleasure and privilege to have worked with him for all those years. God bless Ken's family during this time but always take comfort in the man Ken was and how he is remembered by those lucky enough to have known him.

“ I have so many great memories of Ken Orr. He was a dear friend and co worker. I spent my entire career with Ken at Perdue and Tyson. Ken was genuine and always looked out for the best interest of others. I will miss him dearly but will hold on to the great memories of Ken. Thinking of the entire Orr family. I pray for comfort during this loss. He deeply loved each one of you!

“ Ken was a great man who loved God, his family, the Georgia Bulldogs and treated people right. I admire the character and strength of both Ken and Linda. They have kept a very positive attitude through the immense difficulties that they faced together. Ken knew the Lord and it was evident to me by what he placed as priority of his life. I am very sorry that the end of his life was so difficult, but I know that Ken is enjoying freedom from the bondage and struggles of this life and awaiting his loved ones in Heaven. Through Christ we have a hope that overcomes the world. We can rejoice in the Gospel and God's victory that He bring us over death. (John 11:25) May God comfort the family and show His presence strong as you grieve his passing.

“ I guess my favorite memory of Kenneth was going to the Dsiry Mart after every football practice and enjoying one of those fantastic orange milk shakes.
I haven't seen Kenneth in many years but he will surely be missed.
