“ *I had the pleasure of meeting Ken & Carol Ann on the Pickleball courts. Ken & Carol Ann seemed to know more than I did & were showing improvement in their games & also their paddle choice! I wanted what they had & the only way to get it was practice more, play more & Dink more! I don't know how long Ken was sick but beforehand they were always on the courts early & always ready, willing, and able to share what they know with us- their "Pickleball family" ;as well as, the newcomer. This past year when Ken started to slow down & play less he still wore a smile on his face and a positive attitude! We will miss him Dearly but hope to see Carol Ann return to play with us someday soon.
Sincerely, Christine Autry*
