“ *I just heard about Kevin's passing. I considered him to be a best friend in elementary school (Amy L Dodd), and we remained friends through High School at Milton. He sold me my first pickup truck when he worked at the Ford dealership in Alpharetta/Roswell. He was one of the very best people that I have ever met, and I am so sad that he has been taken from this world so young. I know that he touched many lives, and he will be missed.*

*God Bless,

“ *Wayne and Barbara and Family,
You have my deepest sympathy in the loss of your precious son, Kevin. He was always such a pleasure to teach. He would bring laughter to the classroom and was always a willing helper. Please know that I am thinking of you and that I care. May God comfort you in the days ahead.*

“ My dear sweet Kevin, you will always mean the world to me. I'm sad that you were taken so soon and we won't have our talks. I will talk to you in my dreams and prayers. I know you will watch over all from heaven and we will see you again one day. I love you so very much and thank you for all the wonderful memories. You are the greatest man I know. I miss you so very much! Make sure you talk to God about this mess here on earth and keep selling the crud out of cars in heaven. They too need good automobiles! Love you always ! Aura
