“ I have had privilege of having Kevin as my big brother for 60 years. Being raised in a military family, as kids, we had to endure our father being gone alot. Kevin was always the man of the house when daddy was away. He knew what was expected of him. Kevin introduced me to the man that i married, so i paid it forward and introduced him to the woman that he eventually married. Which is Shelly. Kevin, just know one day i will see you again and when i get there, I will gladly take the blame for everything you and Janice told mom and dad i did, but I didn't do. I will miss you dearly kev
Your little sister,

“ Mr. Kevin Will be very missed. We have had great talks and great memories. I'm so happy that I have Tyler as my best friend and got the chance to know his dad and have him in my life. Mr. Kevin will always be in my heart and memories. When I think of him I think of him and Tyler riding on that Harley to Helen, ga with Mrs Shelly and I trailing behind them ❤️. I will never forget every time I would see him he had the biggest smile on his face and he would say, "love you girly and don't forget it". Never forgotten. Praying for the family. Love y'all so much.
