“ My Grandma was my hero. She taught me many things such as crochet. She was great cook but she did not believe that. She told me many stories that were fascinating. It is a tragedy that an amazing person has passed. Now she is in a better place with Jesus.

Love, Kailee (grandchild)

“ Dear Shaffstall and Kenyon Family:
Kim was a very spiritual woman. Her faith was everything to her. We were friends for 45 years. She was the little girl who came up to me at middle school and asked "if I were the new kid in school? and she said, "come on, I'll show you around..." that started our 45 year friendship. We use to walk to school everyday, we had a lot of laughter, a lot of tears, a lot of memories. She enjoyed life. She loved her family so much. She knew you kids more than you know yourselves. She loved talking about all your accomplishments. Her grandchildren were her world. They amazed her and she was so very proud of them. I loved being in your mother's life, I loved talking with her everyday with our tea. I loved your mom, I will miss her. I am so sorry for your loss. My prayers and thoughts are with you all. I have watched each one of you grow and listened to your mom's stories about each of you. Chris, Ed and I are so saddened by this. Our hearts go out to you. We love you guys. Love Ed and Diane (Sparacio) Thomas RIP my dear friend...
