“ *Kimberly and I were cousins and we didn't get to see each other much when we were kids. I remember when we were together we always had a good time. Kimberly and I reconnected on Facebook in the last few years, and I am thankful we did. I am praying for my family, Kimberly's friends and her sweet babies who lost their mother so young.*

“ Kimmie! :(girl I miss you. Mama asked about you the other day. We talked about the time you had your first mater sammach at the house and fell in love with them. I drove aurora to school this morning and passed by the spot where we broke down in my truck in high school after the cheer tryouts (remember when they said “yall wanna be mascots”). All the times on the bus and walking to your house from mine and hanging with Jessica too. Your laugh was so contagious. Your kids and family are in my prayers. I know you’re being held tight by our Lord. Rest in paradise sweet lady. Until we meet again soon.

“ Kim you always had a sweet soul you was down to earth and loved your babies. It's hard to believe your gone. We went to school together. And we always spoke when we passed each other's path. You spent time on earth with your children here now you can go reunite with your other son and spend time with him. may your family and kids find peace during this hard time.
