“ *My sweet Godfather was always the highlight of every party. We were all laughing at him, God knows what he was saying!!! Always comes up with the funniest things. God definitely gained an angel that is going to have everyone cracking up in heaven.*

“ *I was a very lucky girl to have been blessed with such an amazing Godfather. He was a very special & unique man. We grew up as 1 family. There was never a dull moment around my godfather. He was full of surprises. Always had a smile on his face, full of jokes. He was the most caring, loving , always full of life man ever. Definitely a very special person. My father was first in my life, my godfather was the second father I had. I was so privileged & honored to be his goddaughter. There will never be another man on this earth like my sweet, funny, caring godfather. I was very fortunate to see him one last time on this earth. He will forever be in my heart. May his sweet memory be forever eternal.*

“ *Dad as I look back over time
I find myself wondering
Did I remember to thank you enough
For all you have done for us?
For all the times you were by our sides
To help and support us
To celebrate our successes
To understand our problems
And accept our defeats?
Or for teaching us by your example,
The value of hard work, good judgment,
Courage, respect and integrity?
I wonder if I ever thanked you
For all the sacrifices you made.
You left your business, your family, your country, your home so that
WE can have a better life.
You always wanted us to have the very best?
And for the simple things
Like laughter, smiles and times we shared?
If I have forgotten to show my
Gratitude enough for all the things you did,
I thanking you now. I had always thanked you for loving us even till
the end.
You were the first men in my life and you will always be.
And I know you knew it all along,
How much you meant to me and the girls.*

“ *My dad was a great man. As a kid growing up i always knew we were the most important thing in his life. He was an amazing father and grandfather. The amount of love he showed to everyone was amazing. Not a day will go by that he's not on my mind it in my heart. I love him so much and i know he's in heaven watching over me and my family. The amount of love and respect he treated my mom with was unbelievable. She was his queen for 50 years and even on his last day he loved her as much as the first. Rest in paradise dad i love you forever*
