“ Sending my deepest condolences to Brett’s family and loved ones! He was such a bright light and like myself, LOVER OF ALL THINGS TEXAS! We loved repping DFW here in ATL. Please know Brett had an immense positive ripple effect on myself and my son, Landon. He was a good friend with a kind spirit and I feel honored to have known him. I had the privilege of meeting him back in 2017 and always learned so so much from his words and messages! Prayers, love, and peace be with you all. May his memory be eternal ❤️

“ Brett was my brother and best friend. I know I will see him again! I just know I’m going to miss that push he always gave me when I needed it. Always had my back no matter what the situation. I love you and miss you.

“ *Brett was a big part of our lives, for a while. Chelsea always thought of him as the best big brother she ever had. He helped install good values in Wade. While he had his vices, he was always kind and respectful. We miss our Auburn boys!! Give Wade our love ok Brett? Love your other mom.*
