“ *I don't see my posting after Harry died.*

Nearly a year later, there is a blank spot for my best friend of 50 years. We went to high school, then to Georgia State University and continued our friendship til his passing. Harry was always there to help, console, give advice. We so enjoyed our trips to Panama City/Angelos Steak House, Boston, the Grand Canyon, Cancun, our long conversations, movies and especially meals at The Varsity or Golden Coral. Harry was one of a kind - always enjoying life to the fullest and quite a story teller! He was a true man of the world, someone who knew something about everything, and a friend to all who met him. I miss you my friend but we will meet again. Wilson White

“ Harry,
You dont know us but Buford Church of Christ pre Lad leaders went to Brookside to visit and sing last year at Christmas. Mrs. Gober asked my children, Abby and Triston, to come visit in her room. She had the room decorated and she showed the kids her special tree and I beleive there was a train or a toy from many years ago. She talked about you and was very proud to be your mom She was just super sweet and we loved her. We came out from our visit and our whole group was gone! ha. We had been in her room for a little too long. I am sorry that we didnt continue to visit her and get to know her better. What a blessing she must have been to your life and that you were to her. Thinking about you and prayers for your family in this time of loss. Kim

“ Robert and I are both so sorry to hear of your mother's passing. She always seemed so interesting and kind to me, especially when I was younger. I think you helped give her a wonderful life as her years went by and I'm sure she will be much missed by those whose lives she has affected over her long life. So sorry to hear this news. Thank you for asking Charlotte to call me. That really meant a lot to me.
