“ *I am so very sad over the loss of this wonderful man. He was in my life from the day I was born, and I am so grateful to have had that beautiful smile upon me for so many years. His laugh is one of the most memorable things of my childhood on Homeland Drive. The love and friendship that he and Shirley gave to my family over the years and through my dad's illness simply can't be measured and I could never express my love and gratitude for the Perrys. I know that he is a bright and shining star in Heaven and finally at peace with our Lord. Much love and the biggest of hugs to Shirley, Melanie and the family. You will forever be in my heart and thoughts. Continued prayers for y'all. Rest in peace, sweet Tene.*

“ *I had the opportunity to get to know Lamar by walking around the Gold Kist building, after lunch, with Lamar and Don Jones. We did this several times a week for several years. He will be missed. M A R K*

“ I had the honor of taking care of Lamar at the Oaks of Braselton. I only worked there for 3 months, but I grew so close to Lamar and to his wonderful wife, Mrs. Shirley. I am so sorry for your loss, and your family will be in my prayers.

“ Shirley and family, God bless you and strengthen you during this time. It has been a long, hard struggle for you and, Shirley, you have been the rock on which he leaned. I'll never forget all of our good times together and miss them so much. I love you.
