Last year I had my third miscarriage and I felt God was telling me everything was okay. When I found out I felt betrayed and that I heard him wrong. A month later I got strep for the first time in my life and had to take a lot of medicine. I had a baby boy last month. Tj Lord always provides in his time not ours. I could use prayer and get into Gods word more so I can hear his voice more and hear him telling me Holly I got this and one day you will understand completely.
