“ *Our hearts are broken I'm gonna miss just showing up and walking in saying knock knock. I was just visiting you last week so you could meet my son. Thank you for everything you ever did for me. You were there for me when no one else was. From getting off the school bus going straight to your house and going right past mine to going to the mail box for your mail or running to the store to get your fantasy five lottery tickets for the night or to grab you some butter milk. I'm still in shock and honestly just can't even accept the fact your gone I love you ??*

“ I am so sorry to hear of Mr. Higgins passing. He was a wonderful man. Every time he came in to see me he was going to his sisters house to cut grass. He always talked about how much he loved his sisters and how important they were. He was a family man. I was truly blessed to meet him and become a friend. I loved him dearly. My thoughts and prayers are with you all during this difficult time.
