“ I worked with Joe at CDC and was so sad to hear he had passed away, but then I began to think of all the good times. Joe always brought home grown tomatoes (the best) and a bunch of us would eat bacon and tomato sandwiches for lunch.He would always bring something delicious his wife Kathy made for us to enjoy.I am not a big fan of vegetable soup, but Kathy made the best I have ever had, to this day, it is the only vegetable soup I like. He was the only one who could fix the old autoclaves we used at work. I am so blessed our paths crossed in life and I have such good memories of him.

“ I also worked with Joe at CDC and could always count on him to make my day better with a good laugh. Thoughts and prayers to his family in their time of loss.
