“ *Well now Larry & Gary are back together. Sure was hoping to see you again at our high school reunion this year. Glad we reconnected in Dallas a few years ago and on Facebook. Your family will be in my prayers. Good bye dear friend. 🌸*

“ *Larry...weren't you going to tell us when it was time to go? I cannot believe you left us here, wondering why you had to go so soon..God must have needed you up there. You were a great co-worker!*
