“ Jaylan and Austin,
We are thinking of you during this time. I always loved your sweet mom! She was always so proud of you two. I enjoyed spending time with her at the ball park when you all were younger. May God Bless you.
With sympathy,

“ Laura, you were a great mother, loyal friend and loved those you loved hard and dearly. You will be greatly missed, my sister. I pray Jaylen, Austin, and Kayla value and continuously remember the morals you instilled in them. I pray they know that you have always hoped and strived for the best for and in them. May your legacy of pushing for advanced education/employment, your attitude of perseverance - no matter life's challenges, and genuine love for others carry on through your children. In Jesus' name. Amen.
