“ *My dad, like his Father before him was interested in Electronics. Dad joined The Airforce and was a Thunderbird Technician. After his tour of duty he worked for several companies involved with the sales, service, calibration, and installation of electronic equipment. Later in life he learned advanced woodworking skills and built his own furniture. Dad was known for his well rounded abilities to repair just about anything, and his Son and Grandson are following in his footsteps.*

Tim Miller - July 13, 2022 at 09:38 PM

Kathy, I'm so sorry to hear of your brother's passing. May his memory be eternal. I Love You!
