“ *On behalf of all the people at Tucker Football League, I want to express our deepest sorrow in hearing of the loss of such a great man. We are so sorry that we did not hear earlier as I personally would not have missed my last chance to say goodbye. Larry was a remarkable athlete but what many did not know, Larry was as a great coach and leader of young men. I was fortunate to coach with Larry for several years. His understanding of the proper way to treat young, impressionable athletes never escaped me. I can remember one time Larry pulled me to the side during one of my many tirades, and told me that no matter how a player performs, "that little boy is somebody's child and to always remember that". Not many days go by without my thinking of the wisdom of these words. I regret not keeping in closer contact with Larry.*

I hope his family knows how much he meant to the community of Tucker and my family.

God rest his soul.

“ *I am so sorry for the loss of a fellow Dawg. Proud that my son played on his football team at Tucker Football League and I was his team mother. He led the boys to a state championship. Rest In Peace knowing that your legacy lives on through your family and the young men you mentored. Prayers to all.*

“ Lots of great memories as kids on Oak Street, and more recent at West Fulton Golf Tournaments. Remembering our last phone conversation before we moved to WA State, Larry's issues had started, and we discussed his spiritual condition. Larry stated, "I know Jesus and I'm ready to go". Praise the Lord. Love you Cuz, see you up there! Ron

“ Sincere condolences to all the Rakestraw family. Larry and I were classmates in high school, and he and my late husband Ken '57 were teammates and friends. Perhaps Larry and Ken are playing a game of catch in Heaven today.

“ Larry was my hero while I was a freshman at UGA and he was the starting QB. He had a great game against the University of Miami. The Bulldog Nation has lost one of its finest. I mourn, along with many other teammates, the loss of a great bulldog.

“ I am sorry to hear about Larry. I remember My childhood days on Oak St. In Center Hill. Larry was always nice to me and let me be involved in games even though I was slot younger at the time. He is the reason I am a Dawg Fan. The Massey's and Rakestraw's had a long term relationship. I will have a Prayer for The Family.

I was blessed to have played baseball on a team from Oakdale Ga. We experienced playing against Pepsi Rakestraw. I know he was very successful in Sports at Georgia. Playing at the Red Shields Baseball Field down on The Bankhead Highway was so much fun. Larry Inspired me with his Athletic Abilities. The Grove Park Community and all of Georgia have lost Greatness with Larry's Passing. Charles Beckett.
