“ I first met Lee, my cousin, in 1956 when he, his sister Donna & his darling Mum my Aunt Jeanne came to visit us family in Australia. He was a bright & playful little guy. I was 12 & fascinated with my little cousin with his cute accent. Although I didn't get to see him again until he was a grown man much in love with Janet. That same playful little guy was now a big playful man. RIP cousin Lee.
