“ *Dear Anne and Amy,*

Our community has lost a friend, because Heaven has gained one of our best. Your husband and father left this place with the effects of his spiritual gifts all around. He touched numerous lives, including both of ours, and we are only two of the multitude whose lives were enriched by having known Mr. Baggett.

May the Lord cover you with the Peace beyond all understanding, and flood your lives with the blessed memories of your husband and father until you see him once again for all of time.

*With Love,

“ *Anne, I am saddened over your loss. I recall you calling Leland every morning you arrived at work. I, too practice that with my husband. I know there is a void that only time can fill. 40 plus years is a long time. If you need to talk, please call me, perhaps we can meet for lunch or dinner. Please let us be there for you.*

May God ease your pain and comfort you with each passing day. We may not understand but He does. I know there are an abundance of memories that will bring you many smiles. I love you, Brenda (EHHS)

“ Dear Anne, Elaine, Susan, Chip and family, I have a heavy heart upon reading of Leland's passing. Though it has been many years since I have seen any in the Baggett family, you have always stayed in my thoughts and memories of a special time. I lost my own wonderful mother Margaret on February 11th. It is a season of loss, but one to bring us all close to our faith and belief in God's love and promise. I wish I could have been with you today, but know that I was in love and spirit. Elaine, when the time is right, let's have another catch up visit. Much love, Mary Rawlings

“ Dear Anne & Amy and family, I was so sorry to hear of your husband's passing. He was such a nice man and I know he'll be missed. I know you find comfort in knowing in your heart that he resides now with our Lord. "To live in hearts we leave behind is not to die." (Thomas Campbell). With love and sympathy, Carlene Dunn

“ Dear Anne, my heart is hurting just knowing Leland's absence will bring many days and nights of grieving and missing him. Not missing him because you don't know where he is--he is in Heaven and the happiest person with Jesus, his Lord. He will be joyously waiting for each of you to join him when God's plan and purpose has been fulfilled in you.

May God keep His loving arms around you, Amy, Kurt and their family, as well as your other children, their spouses and grandchildren. I pray that you will feel His comfort, strength and perfect peace during these difficult days--He is a gracious God--He needed Leland at this particular time knowing he had completed the work He had planned for him as His Servant to others.

Our Cece loved the two of you and thought of you as her 'second parents'. I truly believe that God placed Amy and Cece so their paths would cross--she's such a dear friend to Cece...like a sister.

May God bless each of you and know I care.

In Christ,

Liz Grissett

“ *Not only the GREATEST BUS DRIVER Hall County ever had (forgive me. Mrs. Baggett!), but a wonderful person also. I was blessed to have him as my driver all my years in school, along with my brothers, but he was also my daughter's driver for a few years also.*

Greatly loved, respected and will be missed- but we know he is now with Jesus Christ! What a blessing to have got to know him here!! Prayers and thoughts to Mrs. Baggett, Amy and the rest of the family.

“ Dear Anne and Amy,
I was so sorry to hear of Leland's passing. I remember fondly visiting all of you in the summer and playing ping pong upstairs. I was always in awe of Leland. He seemed larger than life, especially in my childhood memory of him. I'll never forget the beautiful words he spoke at Robert and Tina's wedding ceremony. On that day, I could barely get through my short speech as my emotions and tears overtook me, as they often do. Afterwards, Leland came up to me and said when your emotions are that close to the surface, it just means that you have so much love in your heart. I'll never forget his tender words of reassurance to me. My thoughts and prayers are with you.

Love,
Allison

“ My heart goes out to your family for your loss. As many others, Mr. Baggett was my bus driver in the early nineties. His caring demeanor and wonderful smile is something that he shared with every child on his bus. He touched the hearts of everyone he met, and I thank you for sharing him with us. Know that your family is in my thoughts and prayers.

“ Just wanted you all to know that Mr. Baggett was the bus driver (Hall County) for my daughter when she was in grammar school (she is now 41 with 3 children of her own). She called me this morning to tell me that "Mr. Baggett had passed away"....and, I knew immediately of whom she spoke. He was a wonderful person and took excellent care of the children in his charge.....(we lived at Oakwood then). Lynne McDonald (daughter? Michelle McDonald)

“ This is sent with love to EACH in this beautiful family. Thank you for the times you shared your Husband and Dad with me-such special times. I can only say that you have lost a very dear person in your family but truly heaven is blessed with the BEST and Leland is where he has talked about so much. Remember the talks over and over and over of JOY-"the certainty of God's presence." Now we can all experience this amidst the sorrow of his absence. He would be so happy to know we learned that truth from him-can't you see him smiling his little sheepish grin:) Love you and our prayers are with you. It is a beautiful day here and so much more beautiful for our SWEET LELAND, love you!!!

“ Dear Anne and Amy,
It is with great sorrow that I heard of Leland's passing. I know it must seem strange that he held such mythic qualities for us suburbanites, but he did. I remember his firm, rough handshake and his strong, confident voice. I am so glad he was able to officiate my brother's wedding, and I am so glad I was able to play music for him at the Knights reunion. Leland was a strong man that held a tender heart. I plan to be there on Wednesday to honor the memory of a great soul. I hope you both find peace and comfort in the memory of all the little miracles Leland performed on a daily basis.
Love,
David
