“ *My heart hurts for all of her children and their spouses and children and great grand children and the rest of her family. I remember as a young girl spending time with Wanda and Callie and spending the night. We always got in trouble for talking at bedtime. In my mind I can still see the home place on Maddox road. All of us walking the road together, caring a boom boom box... Lol I'll forever cherish those memories. Mama this Honeycutt girl will never forget your sweet face. awesome*

“ *Sending hugs and prayers for strength for all of you for the days ahead. Rejoice in the memories and the fact that you have a new Angel watching over you.*

“ *You were the best granny ever! I am so thankful for the memories we have together! I am most thankful for the foundation u raised ur kids on and then our moms on to us! Without ur prayers and you dedicating ur life to serving the lord and making sure ur family followed in ur path where would we be? I will miss u so much but I know ur rejoicing with the lord and singing with the angels. I love u and u will be forever in my heart!*

“ No words can express the way we feel right now as a family. Our hearts and bodies are broken. Granny is our foundation, she is our rock. My granny has seriously been an angel on earth and I cannot thank God more for giving me the grandmother he has given me. She has fought for me, fed me, clothed me, loved me. She's given me a place to stay, a lap to cry on and a prayer to hold onto. Nothing on this earth compares to a granny's prayers. She is waiting on him right now and papa, aunt Dorothy, uncle gene, and her mama and daddy will be there to carry her on. Y'all just pray for strength and guidance for us through this journey. I really don't know how life is gonna be without her, she is the center of us all. She is that seed planted in all of us.

I love you granny. No words could ever express my love, appreciation, and gratitude towards you. Meet me at the river ??

“ I remember the day I met this family, not only did I make new friends, I was adopted into the family and spent many nights there... this woman set a great example of what love and commitment was, she made sure she took any kid that wanted to go to VBS which wasn't hard to come into a car for there were no seatbelts and no baby seats. Love you all and glad I met you all way back there in 1984.

Praying for you all, Marie, Patricia, Cindy, Wanda, Callie, and David you don't need me to tell you this but you have one special mom.
