“ Mommy,
Words cannot describe the hole that is in my heart, knowing you have physically left me. I am blessed to have had you for 69 years. I will miss you forever but remembering my life with you does give me some comfort. You taught me to be a strong woman. I inherited your fashion and decorating style- but I could never reach your level - you were and always will be number 1 in both those areas. The best gift you gave me was how to be a loving mother, grandmother and great grandmother. I learned so very much from you. Even with those gifts, the most cherished was the Love you gave me. That is what I will always have and hold in my heart. I will love you forever- A Bushel and A Peck Mommy. A Bushel and a Peck💕

“ I have such fond memories of the whole family as we were growing up in Levittown, from one end of Skylark Lane to the other. Sad to hear of Lee's passing but know she has left a wonderful and loving family legacy. With love to you all, Jay

BEAUTIMUS soul I've ever come across.

celebrate you Daily, in every way possible
QVC will now be a staple in my home. Especially on thanksgiving.
I'm honored to be the one who made you a great grandma, and

“ A piece of my heart is missing and a hole in my house has been made. I will forever remember the laughs, good times and just the funny stuff that just came out of her mouth. I will miss her but also remember her in my heart. She loved me like a son and I am blessed to have had such a great mother-in-law in my life. Will cherish the many memories such as taking her on a motorcycle ride on the Harley, our trip to the botanical garden, The Georgia Aquarium and many other great memories. Rest In Peace (A Bushel and a Peck ❤️)
