“ I want to express our deepest sympathies on behalf of my family, sisters, mother and father William Hemmings.

We are sharing the loss of Auntie Lera, affectionately called Auntie Sister. She played a significant role in our early years for which we are eternally grateful.

I was trying hard to be there with you when you lay to rest her remains but even in my absence my prayers will be with the family, praying your strength in the Lord.

May God bless and keep you during this period of bereavement.

My love always

“ You were a light that never flickered and went out. Our Sunday family trips to your home filled with music, laughter and the warmth of how a family unit should be remains a beautiful memory in my mind. One of which I take away to implement into my own family life. Even when you were struggling on our last meeting you made me laugh...you also took time out to embrace my mum and made her feel loved. Lord You and mum just communicated in such a way it made me cry with joy. Aunty... you will always have a special place in my heart ????

“ To my darling Grandma. Words will never be enough to let you
know how much I love you or how much I will now miss you. I wish I
could have seen you more often in recent years, however life had
other plans for us all. Alongside my parents, you played a great part
throughout my life, and for that I will forever hold you dear in my
heart.

You now are held in the everlasting arms of the Lord, no longer
weary but free from all that ailed you here on earth. I pray that you
will watch over us and that as a family we continue to honour and
cherish you. I love you, granddaughter Debbie xx

“ *Rest in eternal Peace Grandma. Even though we never saw each other often, I treasure the times that I had with you. Remembering your trips to the UK, always admiring your taste in gold jewelry and the love that you had for your grandchildren, bringing gifts for all and never forgetting anyone. Your generosity never went unnoticed. Your love for Remy and how he lit up your face when you saw him will remain in my heart forever.*

Grandma, the moments I had with you in your last hour, (however tragic) brought me closer to you than I ever have been. I pray that you heard the songs and words of comfort and that they eased your mind that everyone will be okay.

Thank you Jesus for blessing us with Mrs. Lera V. Clarke. Love you Grandma. Remy sends his love, hugs and silly faces.
